

Gilmanton Conservation Lands, March 2010

Key

Roads

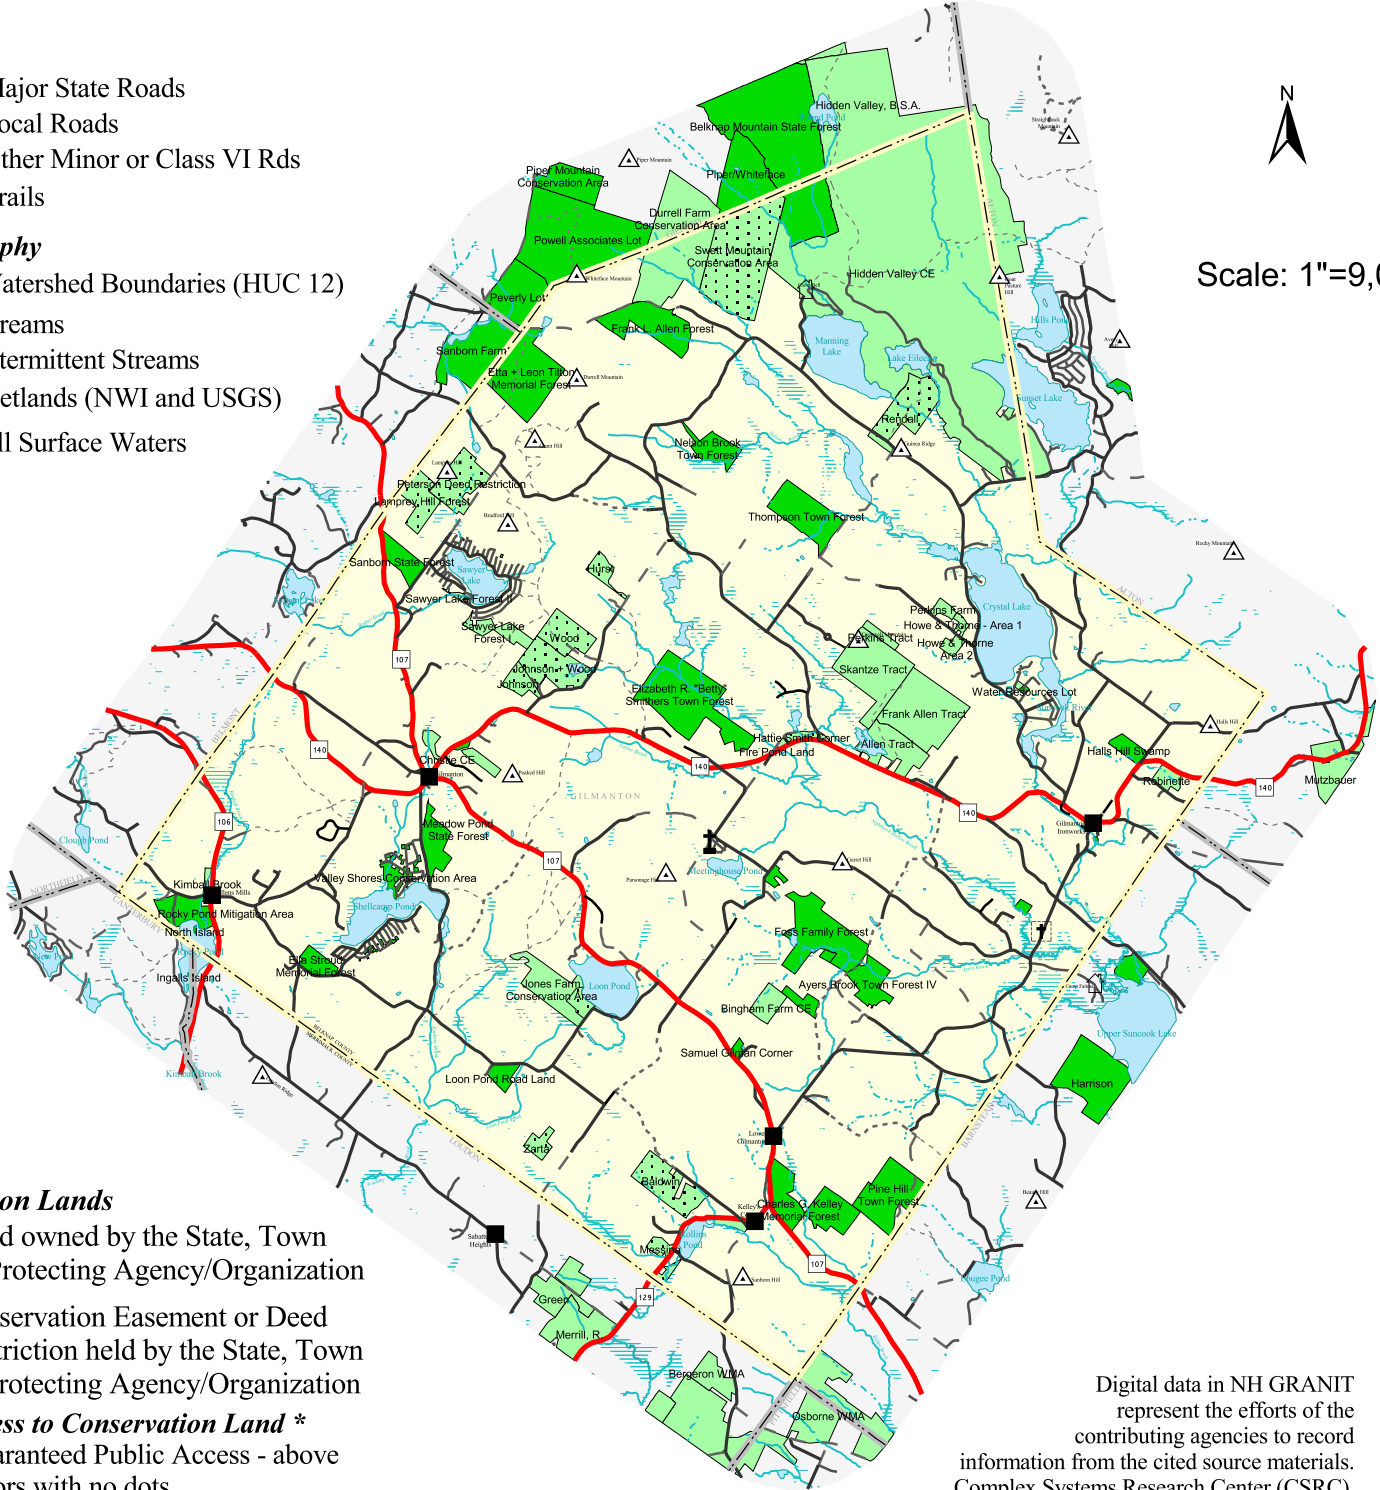

-  Major State Roads
-  Local Roads
-  Other Minor or Class VI Rds
-  Trails

Hydrography

-  Watershed Boundaries (HUC 12)
-  Streams
-  Intermittent Streams
-  Wetlands (NWI and USGS)
-  All Surface Waters

Scale: 1"=9,000'

Conservation Lands

-  Land owned by the State, Town or Protecting Agency/Organization
-  Conservation Easement or Deed Restriction held by the State, Town or Protecting Agency/Organization

Public Access to Conservation Land *

-  Guaranteed Public Access - above colors with no dots
-  Not guaranteed; public access remains at sole discretion of landowner.

* Conservation lands with guaranteed public access allow for pedestrian uses. Please contact the Town offices and/or the landowner for more detail about status and type of public access that is guaranteed.

Note: Rendall Trail is open to public access.

Please respect the rights of private landowners. Most land subject to a conservation easement or deed restriction is privately owned.

Digital data in NH GRANIT represent the efforts of the contributing agencies to record information from the cited source materials. Complex Systems Research Center (CSRC), under contract to the Office of Energy Planning (OEP), and in consultation with cooperating agencies, maintains a continuing program to identify and correct errors in these data. Neither OEP nor CSRC make any claim as to the validity or reliability or to any implied uses of these data.
