

PUBLIC INFORMATION MEETING

Suncook River Nomination

to the

New Hampshire Rivers Management and Protection Program

River-wide Public Information Meeting

Wednesday, April 18, 2012

6:30 p.m. – 8:00 p.m.

Epsom Central School

282 Black Hall Road, Epsom, NH

The Suncook River Nomination Committee, a group of residents and Town officials from the seven towns of the Suncook River, is preparing a nomination to request designation of the River under RSA 483 to the NH Rivers Management and Protection Program. This program would officially recognize the Suncook River for the valuable resources it provides to our communities and would establish a formal mechanism for all of the Towns along the River to cooperatively address river management and protection issues.
