HIKE and MONITORING WALK

Sunday, July 12, 2009 at 10:00 am

The purpose of the hike and monitoring walk will be to hike from the Samuel Gilman Corner at the beginning of Bingham Road to the sharp right-hand bend in Meeting House Road at the entrance to the Foss Family Forest. The hike will traverse the Samuel Gilman Corner, Bingham Farm Conservation Area, the Ayers Brook Town Forests and the Foss Family Forest. The Town of Gilmanton owns or holds a conservation easement on the Bingham Farm Conservation Area, Samuel Gilman Corner, and Ayers Brook Town Forests so these parcels will be monitored at the same time. The hike will begin at the entrance to Bingham Road off of NH Route 107 (Province Road).
