

Energy Committee

2/11/2010

Present:

Amy Russell: Chair, Nate Abbott, Richard DeSeve, Sue Hale DeSeve

Chairman Russell called the meeting to order at 6:00PM.

Informal Meeting with Paul Callahan

Nate and Paul had an informal discussion regarding the grant applications that the Town might want to submit to New Hampshire Energy Efficiency Block Grant Program. This occurred on January 28, 2010 when the committee was scheduled to have a meeting but failed to raise a quorum. Paul and Nate agreed to work together on preparing grant applications.

Grant Applications

Nate brought the committee up to date on the efforts that he and Paul had been making on the grant applications. It has been a struggle to get the information required for the applications. We will continue working to get the main application submitted by the deadline of 4PM Tuesday. The committee agreed that the members would seek contractors to validate the estimating work.

The meeting was adjourned at 6:40PM
