I authorize the Gilmanton Police Dept. to completely check my property in my absence. They may enter my residence should a break-in, or other serious problem occur while I am gone.

Although the P.D. will make an effort to check my property, I understand that they cannot guarantee how often it gets checked, especially if I will be gone a short time.

I understand that during the winter months, no physical check of my residence will be conducted if my driveway **is not plowed.**

I understand that should a problem arise at my residence or on my property, neither the Gilmanton Police Department nor the Town of Gilmanton will be liable.

On my arrival home, I will immediately notify the Gilmanton Police Dept. of my return by either stopping by or calling the station at 267-7401
