

ATTENTION GILMANTON RESIDENTS

As of April 1, 2012, there will no longer be a charge to dispose of **Refrigerators, Air Conditioners, Freezers, Dehumidifiers, Water Coolers or Microwave Ovens** at the recycling facility.

You will still need to remove the doors and all shelving from the refrigerators and freezers.

There will also be no charge for **Medium** (5-99 lbs) or **Large** (100lbs & up) **propane tanks**.

There will still be a .50-cent charge for the small tanks (1-4 lbs) to cover the disposal fee from our vendor.

Prices are subject to change without notice depending on market fluctuations.

Just a reminder! Items containing mercury, electronics, propane tanks, treated wood and sheetrock cannot go into the MSW can.

As always we look forward to working with you all, and thank you for your continued efforts in recycling.
