

ATTENTION GILMANTON RESIDENTS:

As of October 9th, 2010 the Recycling center is working with a local business To Recycle cork able wine bottle's. So we now have (2) two barrels next to the glass Bin for you to put your clean unbroken wine bottles into, with a display that shows What kinds of bottles that are accepted. So let's join forces and help a local business Save money!

If you have any questions you can call Marshall or Sunny at
