GEC Solarize Campaign Sub-committee

May 31, 2021

Present: Nate Abbott, Aimee Ruiter, Cyndi Paulin, Sue Hale-de Seve, Ethan Warren, Vincenzo Sisti, Connor Sanborn, Cyndi Paulin

Meeting began at 7:00 p.m.

Minutes – Motion to approve, Vincenzo, Aimee seconded. Approved.

Vincenzo: 4 signed contracts, 23 out. Hopefully one more signature this week. One in the Historic District needs some approvals, also one large ground mount needs a permit. Contacted several people again to try to speed up the process, if possible. Sunflower will have a tent at the Gilmanton's Own site in June, and also at the Gilmanton Farmer's Market starting in June, as well.

Solar Tour: Aimee asked if someone might need bright safety vests on to help direct traffic. Vincenzo and Connor will have their Sunflower LLC shirts on. Rain date was set for June 12, and Aimee asked if property owners are OK with that. Sign: Vincenzo will put out information that we have 5 proposals signed.

Advertising: Ethan wrote a news article. Aimee will proof read it, then send it out to Laconia Daily Sun and the Concord Monitor. Also, possibly the Baysider, Gilford Streamer, Weir Times. Vincenzo will use the drone, and a video at at least one site. Several folks will take photos at the various stops on the Tour. Aimee is sending an email to an updated mailing list. Sunflower list of contacts if fully updated. Connor suggested that he and Vincenzo might want to wear name tags.

Cyndi: if this Tour works well, we might want to have another one in August. Vincenzo stated that we have a good number of sign ups for the event, so it should go well.

We discussed having an actual meeting for the next meeting.
