

Approved

Gilmanton Energy Committee

Academy Building

Gilmanton, NH

November 29, 2023

6:02 pm

Present: Elise Smith, Kyle McAdam, Sue Hale-de Seve, Aimee Ruiter, Cyndi Paulin.

Elise opened the meeting at 6:06 pm.

Elise moved, Cyndi seconded approval of the October 18, 2023 minutes. Approved.

Elise: Earth Day will be on April 20, 2024, hopefully at the Year Round Library. We discussed community power, Clean Energy, other potential options. Dick is working on talking to someone in Canterbury, which adopted community power. Kyle mentioned these other options and is researching it. We discussed installation of induction stove, heat pumps (Dick and Sue).

Kyle: discussion of plug in, electric vehicles additional fees for registration (\$100). Elise discussed how the system works.

Re-branding ideas: After discussion, Dick motioned to change the name of the committee to the Gilmanton Sustainability Committee. Discussion of name change and whatever changes may be needed to our mission statement/bylaws. Aimee seconded the motion. Motion adopted.

Next meeting: January 17, 2024. We will all look for the latest mission statement so that we can update it as necessary. Aimee will draft letter to the Selectmen describing our rationale for the change.

Adjourn at 6:37.

Respectfully submitted,

Dick de Seve, recording secretary
