

**SAWYER LAKE VILLAGE DISTRICT
BOARD OF COMMISSIONERS' MEETING
April 20, 2017**

Present: Bob Dow, Rich Bakos, Steve Chmielecki, Rich Adams, and Paula Adams

Meeting came to order at 6:00 PM. Minutes from the March 1, 2017, meeting read, accepted, and seconded.

- Dam: A representative from DES and Engineers from Quantum will be coming to the May 18, 2017, meeting to discuss how we will move forward with the work that will be done on the dam. Also an email was sent to Paul Perkins, Road Agent for Gilmanton, about the inadequate culvert at the end of Munsey Hill Road.
- Beaches: Problem with four-wheelers ripping up Beach one and six.
- Roads: The culvert on Chestnut Ave. and Forest Ave. was plugged. Bob Dow tried to unplug it last fall but was unable to. He diverted the water with sandbags. He was able to clean it out this spring. It was clogged with cordwood and leaves. Did a few patch jobs on the dirt roads because of ruts made by big trucks. Will probably start grading the roads next week.
- Treasurer's Report: All bills up-to-date.

Operating Account:	\$ 55,353.78
Dam Account:	\$113,048.67

Treasurer's Report accepted and seconded.

- Open Forum: No business

Meeting was adjourned at 6:45 PM. This was accepted and seconded.
