

**SAWYER LAKE VILLAGE DISTRICT
BOARD OF COMMISSIONERS' MEETING
November 19, 2020**

Present: Steve Chmielecki, Rich Bakos, Rich Adams, Dave Leboeuf, and Paula Adams

Meeting came to order at 6:00 PM. The minutes from the October 15, 2020, meeting notes were read, seconded, and accepted.

- **Dam: All the boards are out of the dam. No concrete agreement with the state yet. Steve Chmielecki brought measurements that he had taken from the existing dam wall to see what the various heights of the sand on Beach 1. Rich Adams said that he would scan and send that information off to Bob Carter of NH Dams.**
- **Beaches: The Commissioners are putting together new rules for the beaches. The Assistant Administrator for the town will help with the legality of the rules. Steve printed out rules from other lake districts. These will be looked at and gone over at the next meeting. These will be discussed with the residence. The boat blocking the culvert on Beach 2 was finally moved, and Bob was able to clean it out.**
- **Roads: Most of the problems are clogged culverts, and Bob cleared them. Rules and regulations governing the roads will be looked into also. We will go over these also for a vote. Bob used a vertical bush hog to clean up and widen the roads. Hemlock near Beach 5 and 6 were widened out. We had some heavy rains. Graded Iris Avenue. There are more that need to be cleaned. Some are private culverts. The grate on Beach 2 is clean and ready for winter. The sand piles for winter are all ready. The roads are in decent shape.**
- **Treasurer's Report: Year-to-date expenditures are \$80,608.67. There is \$3,169.02 left in the road budget. With the new bills that just came in the rest of the budget will be used up. The dam registration will be paid January 5, 2021.**

Operating Budget:	\$ 5,391.81
Dam Account:	\$104,461.13

Treasurer's Report was seconded and accepted.

- Open Forum: Rich Bakos reported on the Budget Committee Meeting. The town won't think about reducing the 6% increase benefit for their health insurance. There will be raises for everyone in the budget and we will not be able to vote on it. The Committee refuses to decrease coverage to decrease cost. Town Manager Bore is leaving.

Rich Bakos asked the Road Agent what's going with the Sawyer Lake Roads. We pay 10% of the taxes in the town and our roads are in rough shape. The Commissioners have thought about bringing up, upgrading of Hemlock Drive around to Beach 6 to the selectmen.

The Selectmen will go along with what rules the district decides upon. The costs of the Transfer Station have gone up 30%. Fees are also going up. Bore felt we needed curbside pickup. They won't do private roads there would be dumpsters at the end of the road.

The Commissioners felt it would be good if they attended the Selectmen Meetings. They would each go to a meeting. The meetings are on the first and third Monday of the month.

The RV on Fox Drive is still there. The door on the meeting house will be replaced before December 31, 2020. The steps also need to be repaired.

The permit for seasonal trailers has been changed from three months to six months, without any permission or discussion with the SLVD commissioners.
