

Saturday
APRIL 20, 2024
11am-2pm

Hosted at the Gilmanton Year-Round Library
Gilmanton Energy Committee's Second Annual

EARTH DAY EVENT

Please join us to learn about ways to work WITH Mother Earth
We intend to have speakers educated on different hybrid/electric
vehicles, the Library Solar arrays, as well as alternative Solar Batteries

Additionally we will be joined by the
Conservation Commission Trails Sub-Committee
