GILMANTON FIRE DEPARTMENT COVID -19 PRECAUTIONS EFFECTIVE MARCH 16TH 2020

In keeping with the recommendations from the CDC regarding social distancing the Gilmanton Fire Department will be implementing the following changes in an effort to minimize any risk to the public or our staff.

Our public service entrance at the IW station at 1824 NH RT 140 will remain open from 7am-7pm, however our service window will remain closed to ensure separation. There is a doorbell inside the entrance that can be used to alert staff of your presence.

We will no longer be issuing fire permits at the station locations. All permits must be obtained at the State web site. <https://nhdfweb.sovsportsnet.net/>. There is a 3.00 fee that the State assesses for this service. We apologize for the inconvenience this may pose. Should you have any questions regarding open burning please contact the Firehouse at 364-2500.

All station tours will be suspended until further notice.

We are implementing these measures so that we may ensure the continuity of our service to the community.

As always, we stand ready to serve. In the event of an emergency please dial 911. For all other non-emergent questions please contact us on our business line at 364-2500

Yours in public safety

Chief J. Hempel
