Subject: COVID-19 New preventive measure at Academy Building

Earlier today, State Governor Sununu published Emergency Order #17 pertaining to the closure of non-essential businesses and requiring “Granite Staters” to stay at home.

In light of this new step taken at State level, we will no longer allow appointments with residents and taxpayers at the Town Offices located at the Academy Building (503 Province Road), effective 11:59 PM tonight and until May 4 to coincide with the Governor’s Emergency Order timeframe.

With this new measure, we hope to further limit the potential exposure to the virus in our community.

We thank you for your patience and understanding.

Please exercise care in your personal contacts and follow those guidelines and practices as recommended by Health officials.
